Space Ventilation Systems Private Limited

<https://www.ventilationsystem.in/>

Space Ventilation Systems Private Limited, are an ISO 9001:2008 certified firm engaged in manufacturing gamut of Air Handling Systems. Under the offered array, we provides Air Washer System & Centrifugal Blower.

About Us

Established in the year **2003**, we, “**Space Ventilation Systems Private Limited**”, are an ISO 9001:2008 certified firm engaged in manufacturing, supplying and exporting a flawless range of Air Handling Systems. The offered array comprises Belt Drive Axial Flow Fan, Axial Flow Fan, Bifurcated Fan, Pedestal Fan, Mine Ventilation Fans and Pulse Jet Type. Apart from this, we have Manual Shacking Type, Cyclone Type Dust Collector, Auto Viscous Filters, Wet Collectors, Pulse Jet Bag Filters and Pulse Jet Type Scrubbers. We manufacture the offered systems by making use of high grade metal and other requisite material, procured from the most prestigious vendors of the industry to ensure that these are in-tandem with globally laid quality norms. In addition to this, we keep in mind the evolving trends of the industry while manufacturing these systems. After the completion of the production process of offered systems, we check these systems to ensure these are durable, highly efficient, sturdy in construction, have precise design, and resistance against rust.

We are able to smoothly carry out the production process of offered systems, owing to the support of our infrastructure and dexterous teammates. By using the machinery installed at our infrastructure manufacture the offered systems as per the specifications detailed by patrons to attain their satisfaction.

Under the guidance of our director, '**Mr. Anoop Bansal**', we are able to...

INDUSTRIAL BLOWERS

Our Products

Paint Booth Blower

Industrial Blower

Coupling Drive Centrifugal Blower

Belt Drive Centrifugal Blower

INDUSTRIAL FANS

Tube Axial Flow Fan

Stand Mounted Axial Fan

Suction Axial Flow Fan

Industrial Axial Flow Fans

CYCLONE DUST COLLECTOR

Cyclone Dust Collector

Dust Extraction Systems

Dust Extraction System for
Boiler

AIR COOLING UNITS

Industrial Air Cooling Unit

Air Washer Equipments

Cooling System

INDUSTRIAL SCRUBBERS

Wet Scrubber

Fume Scrubber System

Pp Frp Scrubber System

INDUSTRIAL IMPELLERS

Back Ward Curved Impeller

Industrial Impeller

Dust Impeller .

OTHER PRODUCTS:

Direct Drive Blower

Air Cooling Systems

Duct Air Washer

Air Cooling Spray Type Cabinet

OTHER PRODUCTS:

Evaporative Air Washer

Air Pollution Control
Equipment

Industrial Dust Collector

Pulse Jet Dust Collector

OTHER PRODUCTS:

Industrial Dust Extraction System

Airlock Valve .

Wet Scubber .

Pulse Jet Type Dust Collector

OTHER PRODUCTS:

Ventilation Systems

Auto Viscous Filters

Dust Collector Bags

Pulse Jet Bag Filters

Factsheet

Year of Establishment : 2001

Nature of Business : Manufacturer

Total Number of Employees : 26 to 50 People
